*ADM-10.  
(memorandum for record)*

DD/S&T 2509/67

15 June 1967

**MEMORANDUM FOR THE RECORD**

SUBJECT: Meeting with [redacted] Assistant  
General Counsel, to Discuss Headquarters'  
Notice [redacted] Concerning Industrial  
Contracts for Personal Services

25X1A

1. [redacted] requires that any contract with an industrial corporation or concern which provides for the services of individuals as tech reps, field engineers and other contractor personnel to install or maintain equipment or to train Agency personnel will require the approval of the Director of Personnel, the Director of Security and the Office of General Counsel. The Headquarters' notice is especially directed to those instances where contractor personnel will be physically located in Agency [redacted] Headquarters buildings. In accordance with the regulation DD/S&T contracts for such services including programmers have been submitted for the approvals required by the notice.

25X1A

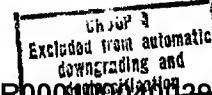

2. Recently [redacted] raised a question as to the necessity for review by General Counsel of such requests. On 15 June 1967 I met with [redacted] to discuss this matter and we reviewed [redacted] in detail. While [redacted] appreciates the intent of the Headquarters' notice, particularly as it relates to the security aspects of contracts such as those described above, he feels that the requirement for continued General Counsel review no longer exists. [redacted] feels that such contracts do not raise the possibility of conflict of interest or other legal implications.

3. [redacted] will direct a memorandum to the DD/S&T setting forth this position. [redacted] was, of course, 25X1A unable to speak for Personnel or Security as to their need for continuing review of these types of contracts. I advised him that on receipt of his memorandum I would discuss the approval requirement with Security and Personnel, coordinating this action with the appropriate DD/S&T Staff Officers.

Signed [redacted]
